So, what's it all about?

All coaches are qualified to UEFA standard and hold a First Aid Certificate. We are a FA Charter Standard registered scheme. Each coach will work with an assistant and the emphasis is on fun. There is an opportunity to win prizes through competitions as well as learning new skills and techniques.

GOALKEEPERS: This is an opportunity for all you young up and coming goalkeepers to work with our professional goalkeeping coaching team. You will be offered personal and expert professional advice to help you improve your performance within this specialist position. After the coaching workshops you will then be given a chance to put your skills into practice, when you join our main stream course for matches and small sided games. The Goalkeeping course is a three day course but your more than welcome to join the main stream course for the additional Friday (Goalkeeper Option 2).

All you will need is a packed lunch and a full playing kit, including shin pads. Many of our courses become fully subscribed very quickly, so please return the tear off form on the back ASAP. Please note that we do not confirm places so please assume that if you return the form to us promptly you have a place on the course.

STFC Football in the Community Trust have fantastic links with the Centre of Excellence. Throughout the previous 2 seasons over 80 children participating in our sessions have been recommended and signed by the Centre of Excellence.
